

About Us

Established in 2004, Green Cube Property Development is a trusted name in South African property development, specializing in luxury home construction, renovations, and maintenance. Based in Pretoria, Gauteng, we bring two decades of expertise to every project, delivering excellence that exceeds industry norms.

Our approach prioritizes quality, timeliness, and client satisfaction, ensuring we remain the preferred partner for discerning homeowners across South Africa.

Our Vision

To lead the construction, renovation, and maintenance industry by:

- Forming inspiring, collaborative partnerships.
- Investing in our people and improving communities.
- Delivering value-driven, premium services.
- Maintaining a foundation built on integrity, innovation, and commitment.

Our Mission

We strive to:

- Maintain the highest standards of professionalism, honesty, and fairness.
- Build lasting relationships with clients, vendors, and subcontractors.
- Deliver top-tier construction services at competitive prices.
- Ensure business longevity through repeat clients and referrals.

Our Core Values

- Collaboration: Sharing expertise and working cohesively.
- Respect: Fostering an inclusive environment and valuing all contributions.

- Trust: Operating with openness, transparency, and reliability.
- Honesty: Embodying integrity in actions and words.
- Partnerships: Building strong, mutually beneficial relationships.
- Synergy: Achieving greater impact through teamwork.
- Quality: Delivering premium value with precision and dedication.

Our Services

- New Homes: Registered with NHBRC and the Master Builders Association, we build homes to the highest standards.
- Renovations & Maintenance: From complete home makeovers to regular upkeep, we excel in planning and execution.
- Bathrooms & Kitchens: Modern designs that add value and style to your property.
